

Hello everyone! The Christmas Season is now in full swing. I'm looking forward to the gatherings with family and friends but I'm not looking forward to the cold weather, snow and ice. I want to take this time to ask each of you to check on your EWMA membership and to renew if appropriate. While you are checking, please associate your membership with our chapter (OH E2 - Eastside Road Riders) within Region "F". When I last checked, only nine of our members (of the twenty-six I found in the EWMA roster) were also associated with our chapter.

I've again attached the link to a summary of the 2024 Ride Schedule including a few District (ie., state), Regional and National EWMA activities. There has been at least one significant change since the Ride Schedule Meeting. The EWMA OH District **Buckeye Rally has been moved forward one week and will take place June 6 through June 8, 2024 instead** of the previously announced June 13 - 15, 2024. This was done because vendors had previous commitments for the original dates. While you are thinking about District events, the Cabin Fever registration is now available. Go to the District website (<https://ewmaohio.org/cabin-fever/>) to get the details. Now on to our upcoming 2023 events!

If you know of anyone that is not getting our weekly emails, please let me know. You can call or text me at (513-379-6551) with their email address or have them send me an email ([mpmey57@gmail.com](mailto:mpmey57@gmail.com)) with their email address on it.

As always if you have any questions or I've gotten any of the above information incorrect, please feel free to contact me so that I can get the correct information out to everyone. Please remember to keep our members, family and friends in your thoughts and prayers.

For Sale - 2007 Honda VT1100C2 Shadow Sabre – Mark Magella contacted me to say that a Honda Shadow is up for sale. Unfortunately, his brother passed away over Memorial Day weekend, so the motorcycle is looking for adoption by a new family. The pictures show a beautiful, red cruiser with just under 2000 miles on the odometer. The asking price is \$3000. The phone number to contact Mark is (513) 348-5538 and his email is [magellame@fuse.net](mailto:magellame@fuse.net). (We met Mark at the Touch-a-Truck event back in June.)

Here are directions I've written down to associate your membership with our chapter. To associate yourself, first log into the website (<https://EWMA-World.org>) using your login information. If you do not remember your login information, there is the option to use the "forgot username/password" to get into your information. Once you are logged in, select *Member Resources*, then *Profile*. In *Profile*, you select your personal contact information (name address, phone number, etc.) Note that only the fields with red dots are required fields. When you reach the end of the form, be sure to select SAVE to save your entries. On the *Member Profile* page, there is the *Chapter/Additional Members* choice. Use this to add additional family members that have joined EWMA. Also on the *Member Profile* page is the *More Member Options* box. This is where you would select your Chapter. Select Chapters/Additional Members, then choose Region F, Ohio, OH-E2 Eastside Road Riders. Be sure to SAVE at the bottom of the page. If all of this doesn't work for you, contact Mike Melton at "[technology@ewma-world.org](mailto:technology@ewma-world.org)" or call 843-847-1444.

Your Chapter Directors,  
Mike and Melody Meyung
