

Happy New Year! The E2 chapter has already been busy this year. We had a New Year Day “Ride” to the Milford Quaker Steak and Lube with about thirty friends in attendance. Our monthly gathering last Thursday was a chance for friends to gather and learn about our upcoming activities. We also had thirteen people attend a CPR class on Saturday.

At the monthly meeting we talked about the need for members to consider taking on some roles in the chapter. Shortly, we will be losing the services and knowledge of Steve and Anne Teal in the role of Membership Enhancement. The Teals had previously announced their intention to move to Southern California to be close to family in just a couple of short months. I am seeking someone to fill the role of Assistant Chapter Director. This past month has shown me the value of SHARING the leadership of the chapter. I’ve had to ask others to fill in when I couldn’t be there due to health issues. Please consider stepping in to support our group.

Below are the upcoming activities for January and February.

**Here are directions I've written down to associate your EWMA membership with our chapter.**

To associate yourself, first log into the website (<https://EWMA-World.org>) using your login information. If you do not remember your login information, there is the option to use the "forgot username/password" to get into your information. Once you are logged in, select *Member Resources*, then *Profile*. In *Profile*, you select your personal contact information (name address, phone number, etc.) Note that only the fields with red dots are required fields. When you reach the end of the form, be sure to select SAVE to save your entries. On the *Member Profile* page, there is the *Chapter/Additional Members* choice. Use this to add additional family members that have joined EWMA. Also on the *Member Profile* page is the *More Member Options* box. This is where you would select your Chapter. Select *Chapters/Additional Members*, then choose Region F, Ohio, OH-E2 Eastside Road Riders. Be sure to SAVE at the bottom of the page. If all of this doesn't work for you, contact Mike Melton at "[technology@ewma-world.org](mailto:technology@ewma-world.org)" or call 843-847-1444.

Your Chapter Directors,
